

Many A Long And Lonesome Highway - Rodney Crowell

Intro - D ... Drop D Tuning (optional)

D A

Yes, I had a woman love me - I gave her what there was there of me

G D

And it was good - as it could be

A

Then I heard a wild world callin' - I saw a lone star fallin'

G D

I caught a song and set it free

Bm D Bm A

And many a long and lonesome highway - Lies before us as we go

G Bm A D

And in the end - I'll do it my way - look for me where the four winds blow

A

I believe in love and danger - I believe the truth is stranger

G D

I believe that fear is much too strong

A

I believe the best will find me - When I leave the rest behind me

G D

Out on the highway I'm my own

Ch

Em Bm

And every night's a new beginning - Everyday the world keeps spinning

Gbm A

Sometimes it's hard to stand upon - I know
