

# Mind Reader

## Chords And Lyrics

### By Dustin Lynch

Intro-Em-D-C-G (x2)

Em D  
How'd you know to wear your hair like that?  
C G  
How'd you know to turn up that song?  
Em D  
How'd you know them little tore up jeans  
C G  
Was gonna tear me up and turn me on?  
Em D  
Girl it's like you know me too good  
C G  
But you barely know me at all  
Em D C G  
Yeah the way it's going tonight you probably know I'm ready to  
fall cause

Em D C  
Baby you're a little mind, baby you're a little mind reader  
G Em  
Yeah, that's what you are  
D  
You play it off a little shy but baby  
C G  
You're a heart stealer -and right here in this car  
Em D C  
It's like you know that smile was gonna melt me down like you  
G Em  
know those lips are what I'm needing right now

D  C  
And girl when you lay 'em on mine  
D  Em    D    C    G  
Yeah it's like you're reading my mind

Em  D  
Girl it's like you got a crystal ball  
C  G  
Like you got a little gypsy side  
Em  D  C  
It's like you knew that sweet perfume that you got on was gonna  
          G  
get me high

Em  D  
Well how'd you know what I'm thinking right now?  
C  G  
How'd you know what I was about to say?  
Em  D  C  G  
How'd you know to whisper in my ear let's take this party back to  
my place

Em  D  C  
Baby you're a little mind, baby you're a little mind reader  
G  Em  
Yeah, that's what you are  
          D  
You play it off a little shy but baby  
          C  G  Em  
You're a heart stealer -and right here in this car  
          D  C  
It's like you know that smile was gonna melt me down like you  
          G  Em  
know those lips are what I'm needing right now  
          D  C  
And girl when you lay 'em on mine

D Em D C (BREAK)  
Yeah it's like you're reading my mind

G Em D C G  
Yeah, that's what you are

Em D C  
It's like you knew just when - to lean on in  
G Em  
And take my hand like you had it all planned  
D C  
And girl you've got me figured out - don't ya now?

Em D C  
Baby you're a little mind, baby you're a little mind reader  
G Em  
Yeah, that's what you are
