

Mississippi Chords And Lyrics By Pussycat

Capo On 3rd fret

Intro - G - C- G - C - D

Well you can hear the country song from far
And someone plays the honky tonky guitar
Where all the lights will go out one by one
People enjoying the sun - And the wind takes it away
Where the Mississippi rolls down to the sea
And lovers found the place they like to be
How many times before this song was ending
Love and understanding - everywhere around

Mississippi - I'll remember you
Whenever I shall go away - I'll be longing for the day
When I will be in Greenville again
Mississippi - you'll be on my mind
Everytime I hear this song - Mississippi roll along - until the end
