Chords And Lyrics

By The Rides

Intro – Am

Am

I went 49 - dont go slow
Aint your place - stop and say hello
Left but ahead - no closer to the home
Ask for and drop - coming through the floorboard

G D F C
Mississippi bloodhound - where I begin
G D F C
Play my music - for a bunch of college kids
G D F C
Said they liked it - wanna be friends
G D D Am
Why does that other man - want me dead?

Been out John Doe - and abused
Singing for my supper - whats it to you?
Driving other people - through the city
Early in the midnight - in the driving race

Ch

Break – Am

Ch

Am

I got enough - went back home
Women and the tax man never leave me alone
Too many cherries - wanna be fed
Turn around and around - like the devils in my head

Ch -- Am
