Intro - A

A

I can't wait to show you where I grew up

Gbm

Walk you 'round the foothills of my town

D

Probably feel like you've been there before

A

Esus E

After hearing all the stories I've been telling you - For six months now

A

We'll probably have to sleep in separate bedrooms

Gbm

Pack a shirt for church because we'll go

D

I'm not trying to scare you off but

A

Esus E

I just thought that we should talk a few things out before we hit the road

D

A

E

Gbm

If I bring you home to mama - I guess I'd better warn ya

D

A

E

Gbm

She falls in love a little faster than I do

E

E

Gbm

And my dad will check your tires pour you whiskey over ice and

D

A

E

Take you fishing but pretend that he don't like you

Gbm E

D

E

Gbm

D

E

A

Oh Oh, if we break up, I'll be fine - But you'll be breaking more hearts than mine

Gbm

My sister's gonna ask a million questions - Say anything she can to turn you red

D

And when you meet my high school friends

They'll buy you drinks and fill you in

A

Esus E

On all the crazy nights I can't outlive

D A E Gbm
