

Mountain Dew

Tab Chords And Lyrics

By Traditional Irish

C-F-C-G-C...C-F-C-G-C

Let the grasses grow and the waters flow in a free and easy way
Just give me enough of the fine old stuff that's brewed near Galway Bay

Come gougiers all from Donegal, Sligo and Leitrim too
We'll give them the slip and we'll take a sip of the rare old mountain dew

Aye di diddle di dum – Aye di diiddle di dum – Aye der aye diddle di day
Aye di diddle di dum – Aye di diiddle di dum – Aye der aye diddle di day

There's a neat little still at the foot of the hill, and smoke twirls up to the sky
For the smoke and the smell its plan to tell that theres poteen brewing near
by

It fills the air, with an odor rare, and betwixt both me and you
When home you stroll you can take a bowl or a bucket of the mountain
dew

Aye di diddle di dum – Aye di diiddle di dum – Aye der aye diddle di day
Aye di diddle di dum – Aye di diiddle di dum – Aye der aye diddle di day

Now learned men who use the pen, have written their praises high
That sweet poteen from Ireland green, distilled from wheat and rye

C Am
Throw away your pills; it will cure all ills, of the pagan, the Christian or Jew
C F C G C
Take off your coat and grease your throat, with the real old mountain dew
