Mountain Time
Tab Chords And Lyrics
By Joe Bonamassa

Intro -- D-C-D-C-D-C-Am7-B-C (x2)

```
              Am                G      G/Gb
You drive west on 80 and it - won't take too long til the
Am                           G      G/Gb
Road starts climbing up to - mountain time
         Am                          G     G/Gb
There's a girl I know there she lives - free and easy and she
Am                          G     G/Gb   Am  G G/Gb
Shows me wonders and she takes my mind
            D        C            D        C
And she's - wild as eagles she's as -  Sweet as honeysuckle
D          C        Am/7 B     C
Her life's flowing like a mountain stream and she
D          C                  D      C
Takes me somewhere and it's - good to be there and she
D         C       Am    B       C  Am G Am   G G/Gb
Pulls me into her - bright golden wing
        Am              G      G/Gb
Now I hate the city and I - love the country and I
Am                     G      G/Gb
Love that feeling on that mountain high and that
Am                     G      G/Gb
Girl is waiting but she - won't wait too long so I
Am                 G   G/Gb  Am   G   G/Gb
Drive all night to that clear blue sky

Ch
D                              Am7
I can feel it in the wind blow - I can feel love flow
D                       Am  B     C
And I'll be there when the morning comes, yeah

Break - -- D-C-D-C-D-C-Am7-B-C (x2)
Ch
            D      C                D         C          D  C Am7 B C D
And she's wild as eagles -She's as sweet as honeysuckle
```
