

Mr. Spaceman

Tab Chords And Lyrics

By The Byrds

Intro G

G A7
Woke up this morning with light in my eyes

D G
And then realized - it was still dark outside

A7
It was a light comin' down from the sky

D G
I don't know - who or why

A7
Must be those strangers that come every night

D G
Whose saucers shaped light - put people up tight

A7
Leave blue green footprints that glow in the dark

D G
I hope they get home all right

D C G6 Am
Hey Mr. Spaceman --- won't you please take me along

G
I won't do anything wrong

D C G6 Am G
Hey Mr. Spaceman --- won't you please take me along for a ride

A7
Woke up this mornin', I was feeling quite weird

D G
Had flies in my beer - my tooth paste was smeared

A7
I opened my window they'd written my name

D G
Said: "So long, we'll see you again".
