

Must Be Doin' Something Right

Billy Currington

Capo 2nd fret = original key - (optional)

Intro - G-Bm-C-D

Em C G

A woman is a mystery - a man just can't understand

Em C G

Sometimes - all it takes to please her - is a touch of your hand

Bm C G D/Gb Em

And other times you've gotta - take it slow - and hold her all night long

C D

Heaven knows there's so many ways - a man can go wrong

G Bm
I must be doin' something right - I just heard you sigh

C D G

You leaned into my kiss and closed - those deep blue need you eyes

Am G6 C

Don't know what I did - to earn a love like this but baby I

Am C G Bm C D

Must be doin' something right

Em C G

Anywhere you wanna go - baby show me the way

Em C G

I'm open to suggestions - umm whatever you say

Bm C G D/Gb Em

Tonight's about - giving you what you want - whatever it takes

C D

Girl I hope - I'm on the right road - but judging by the smile on your face

Ch Right (G - Bm - C - D - G)

Am G6 C Am

Don't know what I did - to earn a love like this, but baby I - must be

C G Bm C Am C G Bm C

Doin' something rightttttt - Must be doin' something right --- ahhhh yeah

Am C G Bm C Am C G Bm C D Em

Must be - doin something rightttttt ---- Must be doin' something right
