

Break -D-A-Bm-A-G-D-A-D

G                    A            D  
If we can take this one kiss at a time

G                    A                    D  
Then maybe we can tame this heart of mine

G                    A                    Bm            A            G  
I'm telling you the cold hard truth I ain't ever been loved by the likes of you

A  
And I ain't ever had this much on the line ... but

D                    A                    D  
My heart has a history - Of hurtin' those who mean the most to me

G                    D            Bm G                    A  
Before you get too close to me - I think you oughta know

D                    A                    Bm    A  
While other hearts are holdin' on - while other loves are growin' strong

G                    D Bm G A    D  
My heart has a history - of lettin' go

G                    D            G    A    D  
Yeah, my heart has a history of lettin' go
