Neon Moon
Chords And Lyrics
By Brooks And Dunn

Intro G ... original key is A so capo up 2 frets
G
When the sun goes down - On my side of town
That lonesome feeling - Comes to my door
C G
And the whole world turns - blue

There's a rundown bar cross the railroad tracks
I've got a table for two - Way in the back
C G
Where I sit alone - and think of losing you
D G
I spend most every night - Beneath the light of this neon moon

C D
If you lose your one and only
C D
There's always room here for the lonely
C D
To watch your broken dreams dance in and out of the beams of a
G neon moon

I think of two young lovers - running wild and free
I close my eyes - And sometimes see
C G
You in the shadows - Of this smoke-filled room
No telling how many tears - I've sat here and cried
Or how many lies - That I've lied
C G
Telling my poor heart - She'll come back someday

Oh, but I'll be alright - As long as there's light from a neon moon
If you lose your one and only
There's always room here for the lonely
To watch your broken dreams dance in and out of the beams of a neon moon

Break – G-C-G

The jukebox plays on - Drink by drink
The words of every sad song seem to say what I think
This hurt inside of me - Ain't never gonna end
Oh, but I'll be alright
As long as there's light from a neon moon

If you lose your one and only
There's always room here for the lonely
To watch your broken dreams dance in and out of the beams of a neon moon
To watch your broken dreams dance in and out of the beams of a neon moon
To watch your broken dreams dance in and out of the beams of a neon moon
