

Night Train

Tab Chords And Lyrics

By Jason Aldean

Capo on 3rd fret -Drop D tuning (optional)

Intro- Bm-G-D-A

D G D G
I've been thinkin' bout you all day baby - waitin' on that sun to go down
D A
Whatcha say I pick you up after work

G
Slide over we'll slip out to the outskirts of town
D G D G
Got a blanket and a fifth of comfort- a little something to knock off the edge
D A
It's supposed to get a little cool tonight

G
Looks like I'm gonna have to hold you tight... yeah
Bm G
Bout a mile off old mill road - in that spot nobody knows
D A
Park the truck and we take off running - hurry up, girl I hear it coming
Bm G
Got a moon and a billion stars - sound of steel and old box cars
D

The thought of you is driving me insane
A G
Come on baby lets go listen to the night train
D G D G
Yeah I hope its gonna be a long one - if were lucky its moving slow
D A
Wouldn't mind if it lasted all night

G
Lying next to you on that hillside - lets go

Ch
A Bm G D A
Let's go listen to the night train
Ch
Bm G D A (x2)
Let's go listen to the night train
