Jocko says yes, and I believe him when we talk about the things I say

She hasn't got the faith or the guts to leave him when they're standing in each other's way

You're tripping back now to places you've been to you wonder what you're gonna find

You know you've been wrong but it won't be long before you leave 'em all far behind

'Cause it's the new Mother Nature taking over- it's the new splendid lady come to call

A smoke-filled room in a corner basement - The situation must be right
A bag of goodies and a bottle of wine - We're gonna get it on right tonight
