

Nothin' Looks Good On You

Gene Watson

Intro - F-C-G-C

C F
You found your greener pastures - In a mansion on the hill
C F G
With a flashy foreign car to drive - And lots of time to kill
C F
But Lord my mind keeps on remembering - The days of me and you
G C F C G C
And when we were down to nothing - Nothin' sure looked good on you

F G F C
You said you needed simple things - That I had plenty of
F C F G
And through the days of dark and rain - We could always live on love
C F
But with his style in life - he lured you - And you could not refuse
G C F
But when we were down to nothin',
C F C
Nothin' sure looked good - on you

Break - F-C-G-C

F
When you honeymooned - in Paris - It was carried on the news
C F G
And I heard you laughed your cares away - On a - Caribbean cruise

C

Well you were always one - for dreamin',

F

Now your dreams can all come true

G C F C G C

But when we were down to nothin', - Nothin' sure looked good on you

F G F C

You said you needed simple things - That I had plenty of

F C F G

And through the days of dark and rain - We could always live on love

C F

But with his style in life - he lured you - And you could not refuse
