

# No Way Back To Eden

## Blackberry Smoke

Drop D Tuning

Intro - Am/D - D or (D7sus4 - D) or both

D7sus4 D

There's no well-beaten path - We left nothing along the way  
Come too far to turn back - Let the chips fall where they may  
(As per video)

Oh my life - I won't get a chance to go thru it twice

A# A7 D

Oh my mind - Is holding on to things I left behind

A# C C/B C/A D

They say that you gotta go to know that you wanna come home

A# C C/B C/A D

There is no shame till you know there's right and wrong

G Ddim D E7

We dipped ourselves in the river but we never get clean

C A7sus Am/D ..... And D7sus4

There's no way back to Eden from what I've seen ... no no

D7sus4 D

Bless my old black dirty heart - Throw these memories away  
I'll watch the sky for that morning star - And I will let it light my way  
(As per video)

Oh this life - Is dragging us one and all out of paradise

A# A7 D

Oh this time - Is over that hill and rolling down the other side

Ch

Break - Dm7 - A# - A7
