

Nullarbor Song Chords & Lyrics Casey Chambers

Capo 2nd fret

Intro – G – D-Em-C

 G D
When the fire burns out here - It's brighter than the city lights

Em C
Warmer - than a heart of gold

 G D
And dingo's howl just to break the silence

Em C
The sun comes up - just to break the cold

 G D
Last night I woke - with the stars looking back at me

Em C
Swallowing the sky

 G D
I felt no anger - I felt no shame

Em C
I felt no reason to cry

D G D G
If I'm not here in the morning - I'll cry a river of tears

 D C G
But I'll learn to live in a new town - But my heart is staying here

Break - G-D-Em-C ... G-D-Em-C

G D
When it's quiet out here - A hundred miles away

Em C
You can hear - the train on the line

G D
The whistle blows just to break the silence

Em C
I wave - just to break the time

G D
I close my eyes - I think of runnin' water

Em C
I think - of runnin' away

G D
But the fires burnt to ashes And it's darker than before

Em C
But I can see as clear as day

D G D G
If I'm not here in the morning - I'll cry a river of tears

D C G
But I'll learn to live in a new town - But my heart is staying here

D C G
But I'll learn to live in a new town - But my heart is staying here
