Drop D Tuning

Intro - D

D

I gotta get myself - off the side of the road

I gotta get myself up - off the side of the road

Things are lookin' clear as they've ever been

D/B

Don't know how it'll end but I know where to begin

D

Gotta get myself - Off the side of the road

I got to quit lying to myself - And let the truth be told

I got to quit lying to myself - And let the truth be told

Again I woke up burned-out by the sun

D/B

Tired of layin' still so I'm movin' along

D

Quit lying to myself - And let the truth be told -- Hey, hey, yes

Woo-hoo - Woo-hoo

Hey, hey, I've gotta pick myself up off the ground, yeah

Woo-hoo - Woo-hoo

Hey, hey, I've gotta pick myself up off the ground, yeah

I gotta hunt myself down - a brand-new home

I gotta hunt myself down - a brand-new home

Yeah now I got the answer to my biggest question

D/B

Had to lose where I was to get my direction

D

Gotta hunt myself down a brand-new home lord

Lord, the tears that I'm hiding - No they ain't for cryin'

Yeah the tears that I'm hiding - No they ain't for cryin'ah up

I'm never gonna let em start spilling out

D/B

'Cause they pour down my body and they flood the ground

D

The tears that I'm hiding - No they ain't for cryin'

Woo-hoo - Woo-hoo

Hey, hey, I've gotta pick myself up off the ground, yeah

Woo-hoo - Woo-hoo

Hey, hey, I've gotta pick myself up off the ground, yeah

D-G-F

D G F D G F

Oh, let the truth be told - All day, let the truth be told

D G F D G F

Oh, let the truth be told - Baby, let the truth be told

D G F D G D

Oh lord, let the truth be told - Oh god, baby let the truth be told

Break - D

I gotta get myself up - Off the side of the road

Oh, quit lying to myself - And let the truth be told

Well, my head is heavy and my heart is empty

D/B

But my spirit is strong and my legs are ready

D

Gotta get myself up - Off the side of the road

Quit lying to myself - And let the truth be told

Woo-hoo - Woo-hoo

Hey, hey, I've gotta pick myself up off the ground, yeah
