

Oh Carol Smokie

Original key = G with no capo

D7 G D
Well, I was out cruisin', gettin' late and I was losin' when I saw you walkin' my way
G
So nonchalant I bet you get what you want but so do I and I ain't losin' today

Well your hips were swinging and your jeans were clinging you were driving me out of my
D
Mind

G
On a hot afternoon when there's nothin' to do you're not the sort of thing a fellow should find

D
So I pulled on over, you tossed your hair off your shoulder as you turned and looked my way

G
Oh you would have died or you'd have skinned me alive if I'd said what I wanted to say

D
So, being polite, said "What you doin' tonight?" You said "Just so happens I'm free."

G G7
You got all the right curves and all the right words and that's alright by me

C G D
Oh, Carol - you got me eatin' my heart away - You got me countin' my nights and days

G G7
Oh, I'm floating on the Milky Way

C G D
Oh, Carol - nobody's done it before - Oh, baby, you've opened the door

G
Oh, Carol, you can do it some more

D
Well, if you're ready for this when we started to kiss she said "Hold on a minute or two."

G
Well, nat'rally I knew it couldn't be me - I said "Oh, baby, what's troublin' you?"

D
She said "I'm not sixteen, if you know what I mean so we sat and talked for a while

G
And when we finally kissed, you know she didn't resist and I must say she did it with style
