Intro - Em-A (x4)

Em            A            Em    A  
You and your baby had some words today  
Em            A            Em    A  
'Till not another word was left to say  
Em            A            Em                    A  
I see that grin, boy- Maybe you think you'll win, boy  
Em            A            Em            A  
Until the sun goes down and once again, boy

G            C            G            C  
One lonely night - One lonely night  
G            A            G B7    Em    A  
That's all it takes to completely break you

Em            A            Em    A  
They say it's darkest right before the dawn  
Em            A            Em    A  
But, oh, those darkest hours can be so long  
Em            A            Em                    A  
You're feeling strong, boy- Tellin' yourself she's wrong, boy  
Em            A            Em    A  
But how much longer can this night go on, boy?

Ch x 2

G    F            C    D            G    F            C            A  
Ooh, she's such a good find - Have you gone and lost your mind?  
G    F            C            A    G    B7    Em    A  
You should know she's one of a kind

Break - Em-A-Em-A-Em-A-Em-A ... Em-A-Em-A-Em-A-Em-A

G    F            C    D            G    F            C            A  
Ooh, she's such a good find - Have you gone and lost your mind?  
G    F            C            A    G    B7    Em    A  
You should know she's one of a kind  
          G            C            G            C            G            A            G    B7    Em    A  
Just one lonely night - One lonely night - That's all it takes to completely break you
