

One Night With You

Lyrics And Tab

(By Elvis Presley)

Intro - E -A - E

B7 E B7
One night with you, is what I'm now praying for
The things that we two could plan

E A E
Would make my dreams come true

B7 E B7
Just call my name, and I'll be right by your side
I want your sweet helping hand

E A E E7
My loves too strong to hide

A
Always lived, very quiet life

E
I ain't never did no wrong

Gb
Now I know that life without you

B7
Has been too lonely too long

B7 E B7
One night with you, is what I'm now praying for
The things that we two could plan

E A E
Would make my dreams come true

A
Always lived, very quiet life

E
I ain't never did no wrong

Gb
Now I know that life without you

B7
Has been too lonely too long

B7 E B7
One night with you, is what I'm now praying for
The things that we two could plan

E A E B7 E7
Would make my dreams come true
