

On My Way To You

Cody Johnson

Drop D Tuning ... tune down 1 fret

Intro - D

D

All the boats I've missed - All the hell I've caused

G

All the lips I've kissed - All the love I've lost

Em

A7sus A7

I got kicked around - I've been black and blue

D

On my way to you

All the stars I've seen - All the songs I've sung

G

All the beers I've drank - All the damage done

Em

A7sus A7

I was just passin' time - Kinda just passin' through

D

On my way to you

G

Every curve, every ditch - Every turn, every bridge

D

I left behind me up in smoke - Every fork in the road

G

Bm

It was all worth the while when I finally - saw your smile

A7sus

A7

Em/A

A7

Every highway, every heartbreak - Every mountain every mile

D
I got the radio up - Sun is going down
G
I'll take a left at the bank - And I'll head straight through town
Em A7sus A7
So baby put on that dress - A little sweet perfume
D
'Cause I'm on my way to you

Break - D- G- A7sus- A7- Em/A- A7 - D

G
Every curve, every ditch - Every turn, every bridge
D
I left behind me up in smoke - Every fork in the road
