Lyrics And Tab

Intro - G-D-C-G

And in the heat I started walking out that door

C G
But on second thought I'll just turn around here in my tracks
D G G7
And walk back into your arms where I belong I was wrong
C G
On second thought I apologize for what I've done
D C G D C G
Cause you're the only one I'll always be in love with

C Am
I know it's not your fault that you're so pretty
D D7 G D
And that you turn the head of every man I understand
G G7 C Am
But when I saw you dancing with him I just lost it
C D G
I started thinking I don't love you anymore
