

On The Road Again

Lyrics And Tab

(By Willie Nelson)

D Gb
On the road again ... Just cant wait to get on the road again

Em
The life I love is makin music with my friends

G A7 D
And I cant wait to get on the road again

Gb
On the road again ... Goin' places that I've never been

Em
Seein things that I may never see again

G A7 D
And I cant wait to get on the road again

G D
On the road again ... Like a band of gypsies we go down the highway

G
Were the best of friends

D A7
Insisting that the world be turnin our way ... And our way

D Gb
On the road again ... Just cant wait to get on the road again

Em
The life I love is makin music with my friends

G A7 D
And I cant wait to get on the road again
