

Orange Sky - Alexi Murdoch

Original Key = Capo 2nd fret

Intro - C-F-C-F (can play this part twice)

C F C F

Well, I had a dream I - stood beneath an orange sky

C F C F

Yes, I had a dream I - stood beneath an orange sky

C F C F

With my brother standing by ----- With my brother standing by

C F C F

I said Brother you know you know ----- It's a long road we've been walking on

C F C F

Yes it is you know brother it is -----Such a long road we've been walking on

C F C F

Oh brother ----- oh brother

C F C

And I had a dream I - stood beneath an orange sky

F C F C F

With my sister standing by ----- With my sister standing by

C F

I said here is what I know now sister - Here is what I know now goes like this

C F

In your love, my salvation lies - In your love, my salvation lies

C F C F C F C F

In your love, my salvation lies - In your love, in your love, in your - love

Am G F Am G F

But sister you know I'm so weary - And you know my heart's been broken

Am G F C F

Sometimes, sometimes My mind is too strong - to carry on

C F

Too strong to carry on

C F C F

When I am alone - When I've thrown off the weight of this crazy stone

C F

When I've lost all care for the things I own - That's when I miss youf-c-f ..

C

that's when I miss you - You who are my home

F C

You who are my home And here is what I know now

F

Here is what I know now sister goes like this

C F

In your love, my salvation lies - In your love, my salvation lies

C F

In your love, my salvation lies - In your love, my salvation lies

C F

In your love, my salvation lies - In your love, my salvation lies

C F C F

In your love, my salvation lies - In your love, in your love, in your - love

C F C F

Your love now

C F C F

Yes, I had a dream I - stood beneath an orange sky

C F

With my brother & my sister standing by

C F

With my brother & my sister standing by

C

With my brother & my sister standing by
