(By Tony Joe White)

Intro - E

E

I said down in Lou'siana
Where the alligators grow so mean
Lived a girl that'd swear to the world
Made the alligators look tame

Polk Salad Annie .. Polk Salad Annie

G A7

Everybody said it was a shame
G A7
Because her mama was a workin on the chain gang
E
She was a mean, vicious woman

Every day 'fore suppertime
She'd go down by the truck patch
And pick herself a mess o' polk salad
And carry it home in a tote sack

Polk Salad Annie, gators got your granny
A7 E

Everybody said it was a shame

Now give me some polk salad, give me some
