

Quiet

Jason Mraz

I want to, I want to hold you

Intro - Am-G6-C ... Am-G6-C

C F C
Every time I go home there's another cellphone tower
Am Em F C
Construction getting louder, paving over yesterdays
F C
You and I - we will try to find the side of it that's pretty
Am Em F C
While our town becomes a city - we won't let it be erased
Am C Am G6 C
Empires rise empires fall - Will you be my constant through it all?

F C Am G F C
I will hold your hand - and watch the world spin idly around this life - we're in
Am G F C
Oh yeah everything goes quiet when it's you I'm with
Am G F
Oh yeah everything goes quiet when it's you - I'm with - You, you, you

Intro - Am-G6-C ... Am-G6-C

C F C
Every once in a while - you know I get these real bad headaches
Am Em F C
Worried about the mistakes - that I've made along the way
F C
You and I - we can't hide - from the fact that we need each other
Am Em F C
How else will I recover - when the fever comes again
Am C Am G6 C
Temperatures rise temperatures fall - Will you be my constant through it all?

F C Am G F C
I will hold your hand - and watch the world spin idly around this life - we're in
Am G F C
Oh yeah everything goes quiet when it's you I'm with

Am G F
Oh yeah everything goes quiet when it's you I'm with ... You, you, you

Intro - Am-G6-C ... Am-G6-C

F C Em F G6 C
There are no words - no no words - when I'm with you, - you - you

C F C
Every time I hear music - they've added more stuff to it

Am Em F C
Things are always moving - into a futuristic place

F C
Where you and I - we will try - we'll try to dance into tomorrow

Am Em F C
But time will have to borrow - not a minute left to waste

Am C Am G6 C
Heartbeats rise, heartbeats fall - Will you be my constant through it all?

F C Am G F C
I will hold your hand and watch the world spin idly around this life we're in

Am G F C
Oh yeah everything goes quiet when it's you I'm with

Am G F C
Oh yeah everything goes quiet when it's you I'm with

Am G F C
Oh yeah everything goes quiet when it's you I'm with

Am G F C
Oh yeah everything goes quiet when it's you I'm with
