Right, right, turn off the lights- We're gonna lose our minds tonight

D
What's the deal, yo?

G D C
I love when it's all too much - 5 a.m. turn the radio up

D
Where's the rock 'n roll?

G D C D
Party crasher, panty snatcher - Call me up if you're a gangsta

G D C
Don't be fancy, just get dancy - Why so serious?

G D C D
So raise your glass if you are wrong In all the right ways all my underdogs

G D C
We will never be, never be anything but loud

D
And nitty gritty dirty little freaks

G D C
Won't you come on and come on and raise your glass!

D
Just come on and come on and raise your glass!

G D C
Slam, slam, oh hot damn what part of a party don't you understand?

D
Wish you'd just freak out

G D C
Can't stop, coming in hot I should be locked up right on the spot

D
It's so on right now

G D C D
Party crasher, panty snatcher - Call me up if you're a gangsta

G D C
Don't be fancy, just get dancy - Why so serious?

So raise your glass if you are wrong In all the right ways all my underdogs
We will never be, never be anything but loud
And nitty gritty dirty little freaks
Won't you come on and come on and raise your glass!
Just come on and come on and raise your glass!
Won't you come on and come on and raise your glass!
Just come on and come on and raise your glass!
Oh shit! My glass is empty - That sucks! - So if you're too school for cool
And you're treated like a fool - You can choose to let it go
We can always we can always - party on our own

So raise your glass - So raise your glass
So raise your glass if you are wrong In all the right ways all my underdogs
We will never be, never be anything but loud
And nitty gritty dirty little freaks
So raise your glass if you are wrong In all the right ways all my underdogs
We will never be, never be anything but loud
And nitty gritty dirty little freaks
Won't you come on and come on and raise your glass!
Just come on and come on and raise your glass!
Won't you come on and come on and raise your glass!
Just come on and come on and raise your glass - for me
