

Ride Captain Ride

Lyrics And Tab

(By Blues Image)

Intro - D - C - D - C

D E
Seventy-three men sailed up - from the SF Bay
G D
Rolled off of their ship and here's what they had to say
E
We're calling everyone to ride along - to another shore
G D
Where we can laugh our lives away and be free once more

E
But no one heard them calling - no one came at all
G D
'Cause they were too busy watching those old raindrops fall
E
As a storm was blowing - out on the peaceful sea
G D
Seventy-three men sailing off to history

A
Ride, captain ride - upon your mystery ship
C C
Be amazed - at the friends - you have here on your trip
A
Ride, captain ride - upon your mystery ship
C D A
On your way - to a world - that others might have missed

BREAK - D - A# - D - A# - A
