

Ride Me Down Easy - Bobby Bare

G C Am
Ride me down easy Lord ride me on down

D G
Leave word in the dust - where I lay

C Am
Say I'm easy come - easy go

D G
And easy to love when I stay

C
This ole highway she's hotter - than nine kinds of hell

D G D
The rides - they are scarce as the rain

G C
When you're down to your last schuck with - nothing to sell

D G
And too far away from the train

C
It's been a good month of Sundays - and a guitar to go

D G D
I had a tall drink of yesterday's wine

G C
Left a long string of friends - some sheets in the wind

D G
And some satisfied women - behind ... so won't you

Ch

Break - G-C-D-G-D

G C
I've put snow on the mountain - raised hell on the hill
