## Tab Chords And Lyrics

### By The Animals

Intro – D (Drop D tuning optional)

When you were a young girl - did you - have a rag doll

The only doll you ever owned

Well you can treat me the way you used to treat that ragdoll

But hurry up cause I'm gettin old

And I get older baby - day by day - and it gets stronger baby - let me say

And it goes deeper baby - than you'll ever know

Stand back baby - and watch my love grow

And do I love you my oh my - river deep mountain high

If I lost you would I cry - bet your life – baby baby (baby baby baby x3)
