Chords And Lyrics

By John Conlee

Intro – G-C-D-C-D-G-D

I don't know why I keep on believing you need me
G C D C D7

When you've proved so many times that it ain't true
G C D

And I can't find one good reason for staying
C D D7

Maybe by leaving would be the best for you

But these rose colored glasses - That I'm looking through
G C D G C D D7
Show only the beauty - 'Cause they hide all the truth

And they let me hold on to the good times, good lines
G C D C D7

The ones I used to hear when I held you

And they keep me from feeling so cheated, defeated
G C D C D7

When reflections in your eyes show me a fool

Ch

So I just keep on hopin', believing
G C D C D7

That maybe by counting the many times, I've tried

You'll believe me when I say, I love you
G C D

And I'll lay these rose colored glasses aside Ch
C D G D7
