

Sad Songs And Waltzes

Chords And Lyrics

By Willie Nelson

Intro – A

I'm writing a song all about you
D E A
A true song as real as my tears
D A D
But you've no need to fear it - cause no one will hear it
A E A
Cause sad songs and waltzes aren't selling this year

I'll tell - all about - how you cheated
D E A
I'd like for the whole world to hear
D A D
I'd like to get even - with you - cause you're leavin'
A E A
But sad songs and waltzes aren't selling this year

It's a good thing that I'm not a star - you don't know how lucky you are
E A B7 E
Though my record may say it - no one will play it
A D
Cause sad songs and waltzes aren't selling this year
A E A

Break – A-E-A-D-A-D-A-D-A-E-A
