

# Sallisaw Blues

## John Moreland

Intro - G

G

Arkansas River Sallisaw Blues - This town never seen nothin' like you

C7

They got silver stars for American gods

G

I wanna be stoned, thrown American rods

I don't own anythin' you don't know

With your bloodshot eyes givin' my black heart fits

C7

There's a neon sign that says 'Big Bad Luv'

G

And a noose hangin' down from the heavens above

D

Am

It's no use - God bless these blues

Em

G

Let's get wrecked - and bruised and battered

D

Am

I need you - come on burn right through

C

D

Honey show me I'm not shattered

G

Down for the count - along for the ride

Sippin' cold medicine ruinin' our lives

C7

Slummin' I-40 with American songs

G

They can bury our bodies in American wrongs

D

Am

It's no use - God bless these blues

Em

g

Let's get wrecked and bruised and battered

D

Am

I need you - come on burn right through
