

Saturday Morning Confusion

Bobby Russell

(Capo 3rd fret = original key)

GAm7 D
Here they come - warming up - I hear the pitter patter of little people on the living room rug
Am7 D Am7 D Am7 D Am7 D
Woe is me ----- there goes the TV ---- now it's Popeye and Pluto - Batman and Bozo
Am7 D Am7 D Am7 D
Don't spill the corn flakes - They'll break at lunch break - Home from the office
Am7 D Am7 D Am7 D
Why did I stop to have a beer with the boys now my head's 'bout to pop

G
It's a Saturday morning confusion - If you think you can sleep it's illusion
Am7 D
Cause you'll probably get a rude intrusion from Harry the dog
Am7 D Am7 D
Harry the dog is as big as can be - and Harry the dog had puppies last week
Am7 D G
We couldn't tell if it's a he or a she now we know
It's a Saturday morning confusion - If I could just get to the bathroom
Am7 D
And get a cold rag and an aspirin to help how I feel
Am7 D Am7 D
But here come the twins and they're screaming at me - What is the deal and turn off the TV
Am7 D G
Go ask your mother and quietly your daddy is ill

Am7 D
There he is, cousin Jack - You got the leaf rake too keep at it till I get it all back
Am7 D Am7 D
Hanging round my yard ----- Snooping in my garage
Am7 D Am7 D Am7 D Am7 D
I tolerate him because he's my cousin - He's nice to the kids - And Harry just loves him

G
It's a Saturday morning confusion - And if I could just hide in my attic
Am7 D
'Cause I can hear my wife yelling take 'em all to the show

Am7 D
I'll take the whole neighborhood to the show
Am7 D
I'll just walk out in back where the money tree grows
Am7 D G
Grab me a handful and off to the show we'll go
It's a Saturday morning confusion - and if I could just get a transfusion
Am7 D
Or maybe go hide in the bedroom till five o'clock
Am7 D Am7 D
Let it be known that at five the TV - Is gonna be tuned to the game of the week
Am7 D G
And that goes for dogs and twins and the whole family
Am7 D
It's a Saturday morning confusion - It's a Saturday morning confusion
G Am7 D
Day is done - Cousin Jack - in his yard cooking steaks on a grill that I'll never get back
Am7 D Am7 D
The twins in front of the TV - Harry with his family
Am7 D G F E7
Sis on her date - and Mom at the door - Smiles as she surveys the sight
A7 Am7 D
For the first time today - The kingdom is quiet
B7 E7
Lord, let us thank you for Saturdays - And may they remain my friends
Am7 Cm
Cause I work all week long - To keep strong till they're grown
Am7 Dsus D
And next Saturday then - We'll do it again
G
Here they come
