

# Saving Grace - Everlast

Capo 2nd fret

Intro - A-Em-G-D ...A-Em-G-D x2

A            EM                    G            D  
 One time around the block - Two times around the clock  
 A                    Em                    G            D  
 Three times don't cross the little lady (lady)  
 A                    Em                    G                    D  
 So pretty and, oh, so bold got a heart full of gold on a lonely road She said  
 A                    Em                    G            D  
 "I don't even think that God can save me" (save me)  
                   A                    Em  
 Am I gainin' ground Am I losin' face  
                   G                    D  
 Have I lost and found my saving grace  
 A                    Em                    G            D  
 Thankful for the gift my angels gave me

Break - A-Em-G-D ....A-Em-G-D

A                    Em                    G                    D  
 Born alone - we die alone - 'n' I'm just sittin' here by the phone  
 A                    Em                    G            D  
 Waitin' for the Lord to send my callin'  
 A                    Em                    G                    D  
 Street wise from the boulevard - Jesus only knows that she tries too hard  
 A                    Em                    G            D  
 She's only tryin' to keep the sky from fallin'  
 A                    Em                    G                    D  
 Any man who says it's Heaven and Hell - Prob'ly got somethin' useless to sell  
 A                    Em                    G            D  
 You ask me if I'm saved but what's it to ya?

A Em  
Blow a quarter, cop another eight

G D  
You're runnin' out of high, you're losin' your faith

A Em G D  
Throw your hands up and scream, "Hallelujah"

A Em G D  
Hallelujah - Hallelujah  
A Em G D  
Hallelujah ----- Hallelujah Amen

Break - A-Em-G-D ....A-Em-G-D

A Em G D  
One time around the sun Another year older and my work ain't done

A Em G D  
It's time for me to write the final chapter (chapter)

A Em G D  
Deal the cards and roll the dice sex, drugs and rock 'n' roll are my only vice

A Em G D  
Tryin' to figure out just what's here after (here after)

A Em G D A Em G D  
Hallelujah - Hallelujah - Hallelujah - Hallelujah

A Em G D  
Hallelujah - Hallelujah Amen
