

Sept Song

JP Cooper

Original key = 1st fret

A Bm G D
Our love was strong as a lion - Soft as the cotton you lie in

A Bm G D
Times we got hot like an iron - You and I

A Bm G D
Our hearts had never been broken - We were so innocent darling

A Bm G D
We used to talk 'til the morning - You and I

A Bm G D A Bm G D
We had the mistake on every weekend - Had it repeating, had it repeating

A Bm
You were my September song summer lasted too long

G D
Time moves so slowly - when you're only fifteen

A Bm
You were my September song, tell me where have you gone?

G D
Do you remember me - we were only fifteen (down)

A Bm G D
And I - I remember the chorus - they were singing it for us

A Bm
You were my September song tell me where have you gone?

G D
Do you remember me - we were only fifteen

A Bm G D
Sometimes I think that I see her - Face in the strangest of places

A Bm G D
Down on the underground station - Passing by

A Bm G D
I get a mild sense of danger - Feel like my heart couldn't take it

A Bm G D
'Cause if we met we'd be strangers - You and I
