I let it fall - my heart - and as it fell you rose to claim it

It was dark - and I was over - Until you kissed my lips - and you saved me  
Am C G F  
My hands - they were strong - but my knees were far too weak  
Am C G F  
To stand - in your arms - without falling to your feet

Am  
But there's a side - to you - that I never knew never knew  
F Am  
All the things - you'd say they were never true never true  
F G  
And the games - you'd play you would always win, always win

Am C G  
But I set fire - to the rain - watched it pour as I touched your face  
F Am G  
Well it burned while I cried cause I heard it screaming out your name - your name

Am C G F  
When laying - with you - I could stay - there - close my eyes

Feel you here - forever - you and me together, nothing is better
