

She Couldn't Change Me

Tab Chords And Lyrics

By Montgomery Gentry

Capo 3rd fret – Drop D tuning

Intro --D-G-D-G

D G D G
Sometimes I think what turned her on - was my old broke down boots
D G D G
She wanted her a real cowboy It was a phase she was - goin' through
D G D G
But not one week after she moved in I caught her paintin' the bedroom blue
D G
She brought home a bottle of pink Chablis
D G
And poured out my best home brew
A Bm G
I was sittin' on the porch in my overalls - as she packed her things to leave
A7 D
She changed her mind when she couldn't change me

G D G
She changed direction headed out west
D G
Changed her tune to some hip-hop mess
D A Bm G
Her dark brown hair went to blonde and her pretty blue eyes went to green
A D G D G
She changed everything when she couldn't change me

D G D G
She was sittin' beside the ocean - Looking out at the waves
D G D G
Watching how they keep on rollin' - But always seem the same
D G D G
She called and said she'd been thinkin' about all those quiet country nights
D G D G
And whatever she thought was so wrong with me suddenly seemed all right

I was sittin' on the porch in my overalls when her truck pulled into view
She said I changed my mind when I couldn't change you

She changed direction headed back home
She changed her tune it's all Haggard and Jones
Had her dark brown hair pulled back and the bluest eyes you've ever seen
She changed her mind when she couldn't change me

BREAK D-G-D-G-D-G-D

She changed direction she's back in my arms
She thought it through had a change of heart
She said I guess when you love someone - you just gotta let it be
She changed her mind when she couldn't change me -yeah yeah
She changed it all when she couldnt change me
She couldn't change me
