

She Don't Love You

Tab And Lyrics

By Eric Paslay

Intro - G-C-G-C

She don't love you, she's just lonely - She wasn't once upon a time
She used to dance when the band played - She used to be the trustin' kind
She's no stranger to the leaving- She's heard all the best goodbyes
Fallin' has a different meaning - To her you're just another guy

She don't love you, she's just lonely- She don't know another way
To break free from what's been broken - Too many cowboys rode away
So forgive her if she's distant - She can't tell her heart to lie, no
You'll never be her one and only - She don't love you, she's just lonely

You can hold her in the moonlight - You can give her all the stars
You can promise her forever - But you'll never have her heart

Ch

She don't love you - She don't love you, she's just lonely
She wasn't once upon a time - I remember her in the sunlight
I remember her -- when she was --- mine ---- Mine
