I've got your picture that you gave to me

A

And it's signed with love, just like it used to be

The only thing different, the only thing new

I've got your picture, she's got you

I've got the records that we used to share

A

And they still sound the same as when you were here

The only thing different, the only thing new

I've got the records, she's got you

I've got your memory, or has it got me

Gb

B7

I really don't know, but I know it won't let me be

I've got your class ring that proved you cared

And it still looks the same as when you gave it, dear

The only thing different, the only thing new
