

Break C-D-G .. C-D-G ... C-D-G-C-G-D-C

          G                          D  
Don't you know, you're gonna lose  
          G                          C  
If you love somebody that don't love you?  
          G                          D  
You'll believe him when he's untrue  
          C          D                  G          D/Gb  Em  
But I can't bear seein' him break your heart in two  
          C          D                  G  
I've let it happen much too long  
          C          D                  G          D/Gb  Em  
Should I wait, hopin' you'll find out on your own?  
          C          D                  C  G  C  D  G  
It's me who's loved you for so long
