Shower The People

You can play the game and you can act out the part even though you
know it wasn't written for you.

Tell me how can you stand there with your broken heart
Ashamed of playing the fool?

One thing can lead to another - it doesn't take any sacrifice

Oh father and mother sister and brother

Iif it feels nice - don't think twice

Just shower the people you love with love
Show them the way that you feel
Things are gonna work out fine if you only will - do as I say just
Shower the people you love with love

You'll feel better right away - Don't take much to do, sell you pride.
They say in every life ---- they say the rain must fall
just like pouring rain--- make it rain.
Make it rain, love, love, love is sunshine, oh yes - Make it rain, love,
love, love is sunshine. Everybody, everybody.
