

Bm/A G A7sus A7
We're playing for the tears - Burning in the happy angel's eyes

G A D Bm Bm/A
For it's love who mixed the mortar - And it's love who stacked these stones

G A7sus A7
And it's love who made the stage here - Although it looks like we're alone

G A D G
In this scene - set in shadows - Like the night is here to stay

Em A G
There is evil cast around us - But it's love that wrote the play

Em Gbm G A D A G
For in this darkness love will show the way

D A G D A G D
Will show the way ----- will show the way
