G B7 Em E7 Am G D
Oh sleep please come to me -----Its a quarter after three
Am C G Em
I've been here since One, I'm not having any fun
G B7 Em
Won't you ease this misery

G B7 Em E7 Am G D
There are things I gotta do ----- Oh tomorrow before noon
Am C G Em
If you don't make haste, the morning I will waste
G B7 Em
Trying to get caught up to you

Break -- G-B7-Em-E7-Am-G-D-Am-C-G-Em-G-B7-Em

G B7 Em E7 Am G D
Oh sleep don't close the door ----- It's a-twenty after four
Am C G Em
It's time the sheep were shorn, their wool is getting worn
G B7 Em
And I can't count them anymore

G B7 Em E7 Am G D
I'm asking when will you arrive ----- Cause it's getting closer to five

Am C G Em
Well I thought I might have sensed you round and round

G B7 Em
But I guess my senses lack

Break -- G-B7-Em-E7-Am-G-D-Am-C-G-Em-G-B7-Em

G B7 Em E7 Am G D
So still I lie here tucked and tied ----- In the cool, pale, blue moonlight

Am C G Em
With my lover's breath and the thoughts that fill my head

G B7 Em
Instead of sweet, sweet dreams tonight

G B7 Em
Instead of sweet, sweet dreams tonight

G B7 Am Em
Instead of sweet, sweet dreams tonight
