

# Slow My Roll

## Tab Chords And Lyrics

### By Kid Rock

Capo on 4<sup>th</sup> fret – Intro G

G  
There's a new day on the horizon, there's a rising in the air  
F  
Somewhere somebody's tryin' to tell me they care  
G  
So I'm a lift my head to a new day, plant my feet on the ground  
F  
Look at life in a new way and what's goin' down  
C G  
Cuz today's the day, I'm gonna take things slow  
C G  
Maybe change my ways, forgive and let all that go  
Am Em  
Tell the ones I love, what they need to know  
F C G  
I'm gonna turn around, settle down, and slow my roll

Mixin' loneliness and whiskey, heartache and cocaine  
F  
Livin' life like a gypsy, lost and ashamed  
G  
So I'm a look to the Lord as my witness, rest my hat on a shelf  
F  
Trade these boots for forgiveness and find myself

C G  
Cuz today's the day, I'm gonna take things slow  
C G  
Maybe change my ways, forgive and let all that go  
Am Em  
Tell the ones I love, what they need to know  
F C  
I'm gonna turn around, settle down

Am F G  
And I can't believe 16 has long since past  
Am F G  
Cuz I'm tired of runnin', and never looking back  
Am F C G  
And I won't survive if I live this life this fast, no, no, no

Break - G-F-C-G-F-C

C G  
Cuz today's the day, I'm gonna take things slow  
C G  
Maybe change my ways, forgive and let all that go  
Am Em  
Tell the ones I love, what they need to know  
F C G  
I'm gonna turn around, settle down, and slow my roll
