## Chords And Lyrics

### By Hal Ketchum

Drop D Tuning

Intro – G

There's an Elvis movie on the marquee sign  
C G D G  
We've all seen at least three times

Everybody's broke, Bobby's got a buck  
C G D G  
Put a dollar's worth of gas in his pickup truck

We're going ninety miles an hour down a deadend road  
G D Em  
What's the hurry, son... where you gonna go?

We're gonna howl at the moon, shoot out the light  
C G D G C G D  
It's a small town Saturday night - It's a small town Saturday  
G C G D G  
night

Lucy's got her lipstick on a little too bright  
C G D G  
Bobby's gettin' drunk and lookin' for a fight  
D G  
Liquor on his breath and trouble on his mind  
C G D G  
And Lucy's just a kid, along for the ride  
C  
Got a six-pack of beer and a bottle of wine

G D Em  
Gotta be bad just to have a good time  
C G D G  
They're gonna howl at the moon, shoot out the light  
C G D G C G D  
It's a small town Saturday night - It's a small town Saturday  
G  
night

Break - C-G-D-G-C-G-D-G

G D G  
Bobby told Lucy, "The world ain't round  
C G D G  
Drops off sharp at the edge of town  
D G  
Lucy, you know the world must be flat  
C G D G  
'Cause when people leave town, they never come back"  
C  
They go ninety miles an hour to the city limits sign  
G D Em  
Put the pedal to the metal 'fore they change their mind  
C G D G  
They howl at the moon, shoot out the light  
C G D G  
It's a small town Saturday night  
C G D Em  
They howl at the moon, shoot out the light  
C G D G C G  
Yeah, it's a small town Saturday night - It's a small town  
D G C G D G C G D G  
Saturday night - It's a small town - Saturday night
