

# Smell Of Incense

## Tab Chords And Lyrics

### By West Coast Pop Art Experimental Band

Intro – E-D-E-D-E-D-E-D

          E      D                  E  
She stood - as still as the shadows of stone  
D                  E                  D                  E                  D  
She stood on the edge of my mind - I tried to push her away  
E          D                  E  
I shut - and locked the door  
D                  E                  D  
Her eyes grew large and asking  
E  D  E  D  
And the smell of incense filled her room

C-Gb-B – C-Gb-E-D-E-D-E-D

          E          D                  E      D      E  
She stood - in the ever present fullness - Of expectation  
D                  E                  D  
What happened to her childhood dreams?  
          E          D                  E      D  
The sidewalk - smothers us – Tomorrow  
E  D  E  D  
And the smell of incense filled her room

C-Gb-B – C-Gb-E-D-E-D

**Break** – E-D-E-D ... etc

          E      D                  E  
She stood - as still as the shadows of stone  
D                  E                  D                  E                  D  
She stood on the edge of my mind - I tried to push her away  
E          D                  E  
I shut - and locked the door  
D                  E                  D  
Her eyes grew large and asking  
E  D  
And the smell of incense filled her room  
E                  D                  E  
And the smell of incense filled her room (X2)
