

Snowbird

Anne Murray

Em Dm
Beneath this snowy mantle cold and clean

G C
The unborn grass lies waiting for its coat to turn to green

Em Dm
The snowbird sings the song he always sings

G C
And speaks to me of flowers that will bloom again in spring

Em Dm
When I was young my heart was young then too

G C
Anything that it would tell me that's the thing that I would do

Em Dm
But now I feel such emptiness within

G C
For the thing that I want most in life's the thing thing that I can't win

Em Dm
Spread your tiny wings and fly away

G C
And take the snow back with you where it came from on that day

Em Dm
The one I love forever is untrue

G C
And if I could you know that I would fly away with you

Break - C-Em-Dm-G-C Em-Dm-G-C

Em Dm
The breeze along the river seems to say

G C
That he'll only break me heart again should I decide to stay

Em Dm
So little snowbird take me with you when you go

G C
To that land of gentle breezes where the peaceful waters flow

Ch

G F C
And if I could you know that I would fly away with you
