

# Someday You'll Call My Name

## Hank Williams

Intro - G-G7-C ... G-D7-G

Someday you'll call my name - and I won't answer

Someday you'll reach for me - and I won't be there

For you've grown tired of all - the love I gave you

But someday you'll wish - that I still care

All these years - how I've loved you

Still I know - I claim you for my own

Someday you'll call my name - and I won't answer

For someday you'll find yourself - alone

Break - G-G7-C ... G-D7 ... G-G7-C .... G-D7-G

When you hair has gone from Gold to Silver

And your eyes grow dim - thru passing years

You'll remember darling what I told you

There'll be no one then - to dry your tears

There'll come a time - in your life dear

When you'll need someone who will care

Someday you'll call my name - and I won't answer
