

Something To Hold On To

Turnpike Troubadours

Capo 3rd fret = original key of C

Drop D Tuning (optional)

Intro - A

A G D A
Won't you give me something - something to hold on to
 G D A A-G-D-A A-G-D-A
This whole world has taken - taken me for a ride

 A G D A
You come smiling through the doorway looking like an old regret

 G D A
Still a whole lot better than you did last time we met

 G D A
Between a real hard spot and a hole in a concrete wall

 G D A
Running out of highway looking for a place to fall

A G D A
Won't you give me something - something to hold on to

 G D A
This whole world has taken - taken me for a ride

 G D A
Pick me up and learn me - turn me down and burn me

 G D A A-G-D-A A-G-D-A
Darling won't you give me - give me one last try

 A G D A
Well to tell you true I never thought we'd be here again

 G D A
Gonna feel alright now darling for the shape I'm in

 G D A
Nearly fell to pieces just thinking it would all fall through

 G D A
Feeling like somebody when you finally came into view

G D A
Darling won't you give me - something to hold on to

G D A
This whole world has taken - taken me for a ride

G D A
Pick me up and learn me - turn me down and burn me

G D A
Darling won't you give me - give me one last try

Break A-G-D-A ... A-G-D-A ...A-G-D-A A-G-D-A

G D A
Now I won't say it all worked out like I planned

G D A
Lucky I still got a leg on which to stand

A G A G
I had a half of mind to get gone - Leave it a little try to move on

A G D A
But I just sat there staring at the secondhand - On the barroom wall now

G D A
Darling won't you give me - something to hold on to

G D A
This whole world has taken - taken me for a ride

G D A
Pick me up and learn me - turn me down and burn me

G D A
Darling won't you give me - give me one last try ----- try
